"Are You Tired of Eating Salmon or Whiting Fish That's not Free from Industrial Chemicals or Affordable?"

==**Announcing The Abundant Seas Fish Program in Los Angeles!**==
**Stop Buying Inferior Fish From Supermarket Chains
That Abuse Your Trust and Sell You Overpriced Fish.**

The Abundant Seas Fish Program is underway in Los Angeles.

The fish that many of you buy in the supermarket chains is full of contaminants the average consumer is unaware of. Additionally, the fish is overpriced for a small amount of product.

Surely, you can purchase better than that!

A Quick View of the Program.

- 5 lb bag of Whiting Fish cost $9.99
- 5 lb bag of Salmon Fish cost $29.99
- A minimum of 165 people to pre-purchase at least $40 of fish
- This keeps your prices low by buying in bulk
- A portion of the profits goes to local charity
- Shipments come in every week
- Pick up your order locally

The Whiting and Salmon fish comes from the North Pacific Ocean.

These tasty and savory fish cook clean on the grill and leaves you wanting more after every meal.

Here's what you get

- 15 plus Whiting Filets per bag
- 12-15 Salmon Filets per bag
- Ships Frozen
- "D-Cut Fish" meaning the belly fat has been removed so you get 5 lbs of fish, not fat.
- Nothing Detected when tested for 9 Industrial Chemicals
- EPA Least Amount of Mercury at 0.06 parts/million
- Bulk buying keeps the price low for everyone

Currently, we serve the greater Los Angeles Area and it's surrounding cities and counties with plans of expansion later.
